TOWER REQUESTS

Cost: \$75.00 plus \$5.00 per 10 notice letters (if public hearing is called).

NOTE: All information requested on this application must be completed in full before any action will be taken. The first meeting with the Planning and Zoning Commission needs as much information you can provide. The second meeting needs all information requested.

Site Plan:

1. Location of tower, address of lot, distance from airport and HWY 40.
2. Show all structures within 300 feet of tower.
3. Show all utilities within 50 feet of tower.
4. Show lot sizes, property lines and distances tower is from the property lines.
5. Show height of tower.

Engineering Plans

Answer the following questions:

1. Does the tower require FCC approval? If yes, WHY?
2. If the tower does not require FCC approval WHY NOT?
3. What will the tower be used for?
4. Will the use of the tower interfere with phone, cell phone, TV, satellite, microwave, and/or other telecommunication systems?
5. Do you have a FAA compliance release letter for the height of the tower?

There is a public hearing called for this type of request. The \$75.00 plus \$5.00 per 10 notice letters pays for the mailing and advertising.

The planning and Zoning meeting is the third Tuesday of the month at 7:30 p.m. All information for this request is due in the Planning Office twenty (20) days prior to the meeting date.

If the Planning and Zoning Commission approve the proposal, your proposal is given to the City Council for final approval. The Council meets on the second and fourth Thursdays of the month at 7:30 p.m.
