Industrial Design Review

All plans for construction must be submitted to the Planning Commission for approval. Staff review will take approximately 30 days per submittal. Action will take place no more than 60 days from the submittal of final working drawings. For a typical building project, 3 copies (one copy for owner, one copy for PC, one copy for Building Official) of the required information must be submitted. One copy shall remain on file with one copy to be returned to the applicant with Planning Commission comments.
